

Montrachet

Approved Builder Application

Please contact Sawyer Kaumeyer at sawyer@cornerstoneprojectsgroup.com to initiate the builder application approval process.

Applications must be received by the first Wednesday of the month for review by the Town Architect. Applicant will be receiving a notification via email with the final response.

Applicants must meet with the following requirements to be considered an Approved Builder in Montrachet:

1. Company has been established for five (5) years or more.
2. Physical portfolio of work. Binding is required.

The portfolio should include the following:

- a) Cover letter introducing the company and a description of merit.
 - b) Photographs and addresses of no less than ten (10) completed projects at or over \$200 per square foot. Price per square foot should be determined by the total value of the improvements divided by the air-conditioned space.
 - c) A minimum of five (5) customer references. References should include the customer's address, project completion date, phone number, and email address.
 - d) Portable drive containing the complete package in PDF format.
3. If a builder's application is approved by Town Architect, the builder will be conditionally approved to build one (1) house.

The application should be submitted in its entirety to:

Cornerstone Projects Group LLC
4770 Bryant Irvin Court
Fort Worth, TX 76107

The Design Review Committee reserves the right to add or remove builders at its sole discretion.
